MOSHE GREEN

Full-Stack Developer

+972-528515220| m.green4903@gmail.com | LinkedIn| GitHub

PROFILE

Highly motivated Fullstack Developer skilled in JavaScript, React, Node.js, and Django. Committed, creative, and passionate about building real-world solutions. Graduate of an intensive Full-Stack Web Development program, with a final project - a platform connecting subcontractors and hiring teams in the construction industry. Eager to contribute innovative ideas in collaborative environments.

SKILLS

- React
- Node.js
- Python
- C
- HTML5
- CSS
- MongoDB
- PostgreSQL
- MySQL

EDUCATION

Full Stack Web Development, 535 hours - HackerU | 2025

Specialized in Full-Stack Web Development using JavaScript, React, Node.js, Django, and Python, with practical experience in RESTful API development, database management (MongoDB, PostgreSQL), and building scalable, user-focused web applications.

PROJECTS

BuildLink - connecting contractors, and subcontractors

Executed as part of academic studies at HackerU, developed a full-stack platform for subcontractor hiring and collaboration, leading backend, frontend, and cloud deployment. Implemented AI-powered text embedding services using advanced NLP frameworks and applied microservices containerized in Docker for reproducible, easy-to-run environments.

Django + React Blog App

Executed as part of academic studies at HackerU, developed a full-stack blog platform using Django REST Framework and React + Vite + Material UI. Implemented JWT authentication, role-based permissions, post management with tags, comments, and likes, showcasing strong backend and frontend integration with modern web technologies.

WORK EXPERIENCE   2018 - 2023

Sales and Assistant Manager - Orcha (אורחה מחנאות)

Achieved a measurable increase in annual revenue as Sales and Assistant Manager at Orcha by recruiting new clients and managing key partnerships, including strategic sales and relations with ELTA from IAI.

Military Service 2014 -2017

Combat Medic, Paratrooper's 101st Brigade.
Awarded the Chief of Medicine (Regional Command) Award for exceptional medical performance and leadership demonstrated throughout my military service.
